CAT FOSTER TO ADOPT APPLICATION

We at Orange Street Cats (OSC) are responsible for the welfare of the animals we place in adoptive homes. We take great care in selecting an appropriate adoptive home for each animal. Due to COVID 19 and the inability to meet at adoption events we are proceeding with a Foster to Adopt engagement for a period up to four weeks. Please fully and carefully complete the following questionnaire to assist us in this endeavor. Completion of this application is a requirement to begin the foster engagement that may lead to adopting an OSC cat, but does not imply or guarantee approval. We reserve the right to use our own discretion in choosing the best adopter for a specific animal. OSC is registered with NYS Ag & Markets, #RR278.
